PROFESSIONAL SUMMARY

MERN Stack Developer with hands-on experience in building responsive, scalable web applications using React.js, Node.js, Express.js, MongoDB, JavaScript, and REST APIs. Strong expertise in frontend optimization, API integration, state management, and reusable UI components. Background in networking and cloud fundamentals with strong debugging and problem-solving skills.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Design, DOM Manipulation

Backend: Node.js, Express.js, REST APIs, Authentication

Database: MongoDB, MySQL

Tools: Git, GitHub, VS Code, Postman, MongoDB Compass

Concepts: CRUD Operations, API Integration, State Management, Routing, Debugging, Version Control

Other: Python, Cloud Computing, Networking Fundamentals

PROFESSIONAL EXPERIENCE

Network Engineer | Fiber Story Pvt. Ltd. (Aug 2023 – Nov 2024)

- Managed and optimized network infrastructure, improving uptime and connectivity reliability.
- Diagnosed and resolved technical issues, strengthening troubleshooting and debugging capabilities.
- Collaborated with teams and vendors to ensure smooth IT operations and preventive maintenance.

Hardware Engineer | Swastik Enterprises (Sep 2020 – Jul 2021)

- Configured and maintained systems, improving hardware/software performance and user support efficiency.
- Installed operating systems and handled troubleshooting for client environments.

PROJECTS

- Built a fully responsive event-planning company website (HTML/CSS/JS) with sections for services, pricing tiers, gallery, and reviews; implemented smooth-scroll navigation and deployed live via Vercel.
- Weather Application (React.js, API Integration) – Developed a responsive weather dashboard fetching real-time weather data with temperature, humidity, pressure, and wind speed.
- Network Topology Design (Cisco Packet Tracer) – Designed and implemented scalable LAN/WAN topologies with IP addressing, subnetting, and troubleshooting.

EDUCATION

Full Stack Development – PW Skills (2025)

Diploma in Cloud Computing – Jetking (2022–2023)

B.A. Programme – Delhi University (2020–2023)

CERTIFICATIONS

Full Stack Development – PW Skills | Diploma in Cloud Computing – Jetking | CCNA Fundamentals

SOFT SKILLS

Problem Solving | Communication | Team Collaboration | Adaptability | Analytical Thinking
